In re Application of	:
Young Mi Choi-ledeski et al	:
Serial No.: 09/918,039	: SUSPENSION OF ACTION
Filed: July 30, 2001	:
Attorney Docket No.: P24,450-E	:

This is in reply to the petition under 37 CFR 1.103 to suspend action on this application at applicant's request for a period of six months, filed July 5, 2005.

**The petition fee paid for this petition of \$130.00 is an incorrect fee. The petition fee for a Petition to Suspend Prosecution is \$200.00. The fee deficiency will be charged to applicants' Deposit Account No. 19-5425, as directed.**

**§ 1.103 Suspension of action by the Office.**

- (a) Suspension for cause. On request of the applicant, the Office may grant a suspension of action by the Office under this paragraph for good and sufficient cause. The Office will not suspend action if a reply by applicant to an Office action is outstanding. Any petition for suspension of action under this paragraph must specify a period of suspension not exceeding six months. Any petition for suspension of action under this paragraph must also include:
- (1) A showing of good and sufficient cause for suspension of action; and
  - (2) The fee set forth in § 1.17(h), unless such cause is the fault of the Office.

Applicants' petition states that they are concerned that this application will proceed to issue prior to decision on a concurrently filed petition to withdraw a restriction requirement. In view of the fact that the filing of a petition and entry into the Office PALM system normally prevents the mailing of any other Office action until the petition is decided, applicants' reason for requesting a suspension of prosecution is not considered good and sufficient. Note also that a decision on the petition to withdraw the restriction requirement is being mailed concurrently with this decision.

In view of the above reason the petition is **DENIED**.
